

Buist Academy Parent Skills Database

The Buist Academy Parent Skills Database is a directory of specific skill-sets and parent contact information used by the Buist Foundation, teachers, and administration. By checking the below boxes, you are making us aware of your interests, skills, and strengths. If a need arises within the school, you may receive a request to lend your expertise. This form does not obligate you in any way and is optional. We hope you will consider taking the time to fill it out and help the school. Thank you! ~The Buist School Improvement Council
